Add a new LiftMaster garage door device

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

LiftMaster devices can be added through the website.

Platform	Customer Website
Content type	How-to / Configuration
Source last updated	2025-06-04

Procedure

To add a LiftMaster device using the GoSafer Security customer portal (powered by Alarm.com)

1. Log in to the GoSafer Security customer portal (powered by Alarm.com).
2. Click Settings.
3. Click Manage Devices.
4. Click Add Device.

5. Click Garage Door.
6. Select the desired LiftMaster device.

Note: If you do not see the LiftMaster option, contact your service provider.

1. Click Next.

Follow the on-screen instructions to complete the device installation.

Note: To remove LiftMaster garage door devices from your account, contact your service provider.

Source and support
