

Can I create multiple logins for my account?

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

Yes. You can create multiple logins for your account using your GoSafer Security customer portal (powered by Alarm.com) login. There is no limit to the number of logins that can be created for an account. For information about creating a new login, see [Create a new login](#). A system-generated password is sent to the email address that you assigned to the user. They are prompted to update the password upon their initial login to the GoSafer Security customer portal (powered by Alarm.com).
