

Change the name of an energy monitoring device

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

Systems with multiple energy devices can be more easily managed with customized device names.

Platform	Customer Website
Content type	How-to / Configuration
Source last updated	2025-06-04

Procedure

Change the name of an energy monitoring device

1. Log in to the GoSafer Security customer portal (powered by Alarm.com).
2. Click Activity.
3. Click Energy Usage.
4. Click Settings & Bill Information.
5. Click Manage Energy Devices.
6. Click the energy monitoring device to be edited.

In the Device Name field, enter the desired name for the device.

1. Click Save.
