

Create Enterprise Notifications - Video

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

Enterprise notifications allow recipients to receive notifications for all locations in an Enterprise group and can be managed using the {{customersite}}.

Platform	General / Device
Content type	How-to / Configuration
Source last updated	2023-02-20

Procedure

Step-by-step guide: Screenshots and videos are placed with the instruction they illustrate.

If this video is blocked by the publisher's privacy settings, [open it on the original Alarm.com article](#).

Source and support

For GoSafer Security assistance, visit gosaferssecurity.com.

Original Alarm.com reference:
