

Create/edit a disarming supervision notification

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

A disarming supervision notification can notify users if the system has not been disarmed by a certain time.

Platform	App + Web
Content type	How-to / Configuration
Source last updated	2025-06-04

Procedure

To create/edit a disarming supervision notification using the Alarm.com app

1. Log in to the Alarm.com app.
2. Tap [Menu].
3. Tap Notifications.
4. Tap [Settings].

To edit the notification, tap to select the disarming supervision notification.

If the notification has not been created

1. Tap [Add].
2. Tap to expand Create Your Own.
3. Tap Disarming Supervision.

Name the notification.

In Send an Arming Reminder if the system is NOT Disarmed, select either

At a specific time to enter the desired time.

When selected people cross a Geo-Fence to select the users and whether to notify when they enter or exit. Additionally, select which Geo-Fence should be the trigger and the times the rule should be in effect.

In When the system has not been disarmed by, select the desired time.

In On the selected days, select either At all times or Only during the following times to choose when the rule should be in effect.

In Recipients, tap Add.

In Address Book, tap on the recipient you would like to receive the notification.

1. Tap Close.
2. Verify the notification is configured with the correct settings.
3. Tap Save.

To create/edit a disarming supervision notification using the GoSafer Security customer portal (powered by Alarm.com)

1. Log in to the GoSafer Security customer portal (powered by Alarm.com).
2. Click Notifications.

To edit the notification, click [Edit] for the disarming supervision notification.

If the notification has not been created

1. Click New Notification.
2. Click Disarming Supervision.

Name the notification rule.

In Send an Arming Reminder if the system is NOT disarmed, select either

At a specific time to select a specific time the system should be disarmed by.

When selected people cross a Geo-Fence to select the users and whether to notify when they enter or exit. Additionally, select which Geo-Fence should be the trigger and the times the rule should be in effect.

In On the selected days, select either At all times or Only during the following times to choose when the rule should be in effect.

In Recipients, click Add to select who will receive this notification.

1. Click the entries in the Address Book that are to be notified, or click New to add a new Address Book entry.
2. Click Close.
3. Verify the notification is configured with the correct settings.
