

Google Assistant Sunset

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

Google ended support of conversational actions for Google Home and Google Assistant users on June 13, 2023. This change ended Alarm.com's support of voice commands for home automation actions using the Google Assistant feature and Google Home device. For more information, refer to Google's [Conversational Actions sunset overview](#). For more information about voice control alternatives, see [Set up Siri custom voice shortcuts](#) and [Alarm.com Skill - Connect Amazon Alexa with Alarm.com](#).
