

How many notifications can you add to an account?

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

There is no limit to the number of notifications that can be added to an account. The types of notifications that can be added depend on which features are available on your account.

Platform	General / Device
Content type	How-to / Configuration
Source last updated	2026-03-06

Procedure

There is no limit to the number of notifications that can be added to an account. The types of notifications that can be added depend on which features are available on your account.
