Manage central station monitoring settings

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

A Monitoring Station, also known as an Alarm Monitoring Center, Central Station, or Central Monitoring Station, takes the signals forwarded from Alarm.com and dispatches to the proper authorities.

Platform	App + Web
Content type	Reference
Source last updated	2025-06-04

Procedure

To manage monitoring station settings using the Alarm.com app

1. Log in to the Alarm.com app.
2. Tap [Menu].
