

Take a video snapshot

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

Users can request on demand still snapshots from cameras and video device.

Platform	Customer Website
Content type	Reference
Source last updated	2025-06-04

Procedure

To request a video snapshot

1. Log in to the GoSafer Security customer portal (powered by Alarm.com).
2. Click Video.

Mouse over the desired video device, then click [Peek In] to take a snapshot.

Source and support

For GoSafer Security assistance, visit gosaferssecurity.com.

Always verify safety, installation, compatibility, and current UI details against the original manufacturer documentation before operational use.
