Where can I find a monitoring certificate?

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

For more information about proof of monitoring certificates, contact your service provider.

Platform	General / Device
Content type	How-to / Configuration
Source last updated	2025-06-04

Procedure

Monitoring certificates are provided by the monitoring station associated with your account. For more information about obtaining proof of monitoring certificates, contact your service provider. For more information about how to contact your service provider, see Contact your service provider.

Source and support
