

Export panel slot number for a system

GoSafer Security Knowledge Base

This operational reference is organized for GoSafer Security customers and staff. Alarm.com product names are retained where required for technical accuracy.

Overview

The panel slot numbers report is a downloadable.csv file that shows all users associated with the system. This is useful for keeping personal records of users in a system.

Platform	App + Web
Content type	Reference
Source last updated	2025-06-04

Procedure

To export panel slot numbers using the Alarm.com app

1. Log in to the Alarm.com app.
